Authentic Customized
Insightful Powerfully Inspiring

Need your leaders to connect more effectively with your community?

“Come Follow Me” gives personal stories and practical insights how to watch for opportunities we all have and what to do once we recognize them.

Need to inspire your audience that anything is possible?

“Some Miracles Need a Mom” leads an audience step-by-step through the process of pursuing a miracle on behalf of anyone who is struggling in life.

Need to encourage your team how to get along with difficult people?

“Loving Alligators” helps your audience realize what is often the underlying cause of the conflict and provides steps everyone can take toward a solution.

Signature story: Sandy was told her fourth son would never speak and most likely be institutionalized. Today he is a college graduate, married, and has a successful career.

What meeting professionals say about Sandy:

- “Your ability to tell heartwarming stories and provide supporting examples that exemplify the concepts you are teaching is extraordinary.” *Connie Wilder Willis, Executive Coach*
- “Your message was both encouraging and challenging and laced with humor. You are a woman of great personal integrity and faith and a dream to work with.” *Judy Brunson, Event Coordinator*
- “You are a magnet for women seeking wisdom!” *Lori Jacobs, Past Iowa Women’s Ministries Director*
